PROFESSIONAL SUMMARY

Software Engineering graduate (BSc (Hons), 2nd Class Upper Division) and Higher National Diploma in Information Technology holder (Distinction), combining hands-on full-stack web development, database design, and application testing with current experience as an IT Lecturer delivering Pearson BTEC HND modules in Professional Practice, Networking, and Security. Solid working knowledge of database concepts, operating systems, networking fundamentals, and application security principles, applied in both industry projects and higher-education teaching. Brings strong analytical thinking, attention to detail, and the ability to explain complex technical topics clearly in English to diverse audiences. A self-starter who works well independently, follows structured processes, and upholds high ethical standards, seeking to contribute technical, problem-solving, and communication skills to a growing IT organization.

CORE COMPETENCIES

- Analytical, Problem-Solving & Attention to Detail
- Database Concepts (SQL, PostgreSQL, MySQL) & Data Integrity
- Application Security & Object-Oriented Programming (OOP) Fundamentals
- Operating Systems & Network Concepts (academic & applied knowledge)
- Software Testing, Debugging & Technical Documentation
- Agile Methodology & Software Development Life Cycle (SDLC)
- Teaching, Curriculum Delivery & Technical Training (Higher Education)
- Written & Verbal Communication in English
- Self-Starter, Independent Work Ethic & Professional Integrity

WORK EXPERIENCE

Lecturer – IT **Aug 2026 – Present**
BCAS Kandy Campus, Kandy, Sri Lanka | Full-time

- Conduct lectures for Pearson BTEC HND modules, including Professional Practice, Networking, Security, and UEID.
- Deliver both theoretical concepts and practical application to higher education students.
- Prepare lecture materials and session content aligned with the BTEC HND curriculum.
- Support students through coursework and skill development.

Intern – Full-Stack Web Developer **Sep 2024 – Dec 2025**
Buldosoft (Pvt) Ltd, Kandy, Sri Lanka

- Assisted in developing and maintaining web applications, including relational database design, to ensure accurate and reliable data storage.
- Performed structured testing and debugging of application features, documenting defects and verifying fixes against expected functionality.
- Participated in SaaS-based application development within an Agile team, following defined processes and sprint documentation.
- Collaborated closely with team members and reported progress clearly, supporting on-time feature delivery.

ICT Tutor (Physical & Online) **Jan 2024 – Present**
Self-Employed, Sri Lanka

- Teach ICT concepts, including databases, operating systems, networking basics, and programming, to O/L and A/L students, translating technical topics into clear explanations.
- Prepare structured lesson plans and assessments, reflecting strong documentation and organizational discipline.
- Strengthened verbal communication, presentation, and client-facing skills through consistent one-on-one and group instruction.

PROJECT EXPERIENCE

Attendance Management System (Web Application)
Technologies: Next.js, React, TypeScript, Tailwind CSS, Firebase, Vercel

- Designed and deployed a role-based access system with tracking, dashboards, and reporting, applying access-control logic and structured data validation.
- Designed the database schema, built a responsive UI, and integrated front-end with back-end following Agile practices.

E-Commerce Website – Techbeat.lk
Technologies: HTML, CSS, JavaScript, PHP, MySQL

- Developed a full-stack application with a MySQL database, implementing CRUD and payment features.
- Conducted functional and security-related testing and debugging prior to release.

TECHNICAL SKILLS

- **Databases:** SQL, PostgreSQL, MySQL — schema design, queries, data integrity
- **Programming:** Java (Basic), JavaScript, PHP, Object-Oriented Programming (OOP)
- **Web Technologies:** HTML, CSS, Next.js, React
- **Systems & Processes:** SDLC, Agile Fundamentals, Application Testing & Debugging
- **Tools:** Git, GitHub, Microsoft Office

EDUCATION

BSc (Hons) in Software Engineering **2025 – 2026**
Cardiff Metropolitan University, UK — Grade: 2nd Class Upper Division

Higher National Diploma in Information Technology **2022 – 2024**
Advanced Technological Institute, Kegalle — Grade: Distinction

GCE Advanced Level Examination **2020**
Baduriya College, Mawanella

GCE Ordinary Level Examination **2017**
Baduriya College, Mawanella

CERTIFICATIONS

Diploma in English and Certificate in IT **2018**
BCAS Kandy Campus

LANGUAGES

English | Tamil | Sinhala
